Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450**Written Status Inquiry**

To the Commissioner for Patents:

The applicant was recently contacted by the Examiner for the above-identified application. The Examiner called to inquire as to whether a response was filed to a Notice of Non-Compliant Amendment mailed on September 28, 2004. Applicant obtained a copy of the Notice of Non-Compliant Amendment from Private PAIR.

The Notice of Non-Compliant Amendment referenced an amendment filed on September 15, 2004 for the above-referenced application. In reviewing its file for this application, the applicant found that it did not receive the Notice of Non-Compliant Amendment mailed on

Page 2 of 3

September 28, 2004 and that there was no amendment filed by the applicant for this application on September 15, 2004.

In reviewing the status of this application using Private PAIR, Applicant found that a Request for RCE dated September 15, 2004 was entered in the File History for this application. However, a copy of an RCE or amendment dated September 15, 2004 is not available in the Image File Wrapper for this application.

Applicant's last correspondence with the Office regarding this application was an amendment and petition for extension of time filed on July 2, 2004 in response to the Office Action dated January 2, 2004. Applicant's response dated July 2, 2004 is entered in the File History and Image File Wrapper for this application as made available through Private PAIR. Following the filing of the Applicant's amendment dated July 2, 2004, the Examiner's recent telephone call has been the only correspondence the Applicant have regarding this application.

It is believed that there may have been some Office error resulting in the erroneous entry of an RCE in the file history of this application, which then caused the erroneous issuance of the Notice of Non-Compliant Amendment. Due to the apparent confusion in this application, Applicant hereby requests from the Commissioner a written confirmation as to the status of the current application.

It is believed that no fee is due with this paper. However, if there are any fees due with this paper, the Commissioner is hereby authorized to charge such fees to deposit account number 50-1290.
